Dear Sir:-

In response to your inquiry regarding our Museum and for membership in this Society, I am enclosing a brief folder which describes our activities. At present our Museum is closed but it will be possible for us to arrange for you to use our Library if you so desire.

If you wish to make application for becoming a member, kindly use the accompanying card and let me have some idea of the field of collecting in which you are interested.

Very truly yours,

Secretary.

Mr. J. Perry Solomon,

600 West 181st Street,

New York.

Interested in Modern Coins and Paper Money.

Would like to become a member.
